

XXXVI El Cid Annual Golf Tournament

Once again, we are honoured to host the XXXVI El Cid Annual Golf Tournament 2009 that will take place the week of November 9th to the 15th.

In addition to offering a tournament that strikes a balance between good fun and fair competition, we have always tried to give participants great value.

The entry fee for this year's tournament will be in pesos, so you can benefit from a favourable exchange rate; \$4,500.00 pesos for men and \$4,000.00 pesos for women. This includes a shared golf cart on the official days of the tournament.

We look forward to seeing old friends again and making many new ones soon!
